

TOPICAL CONSENT FORM

The Health and Infection Control section (Section 11) of the New York State Child Day Care regulations require that:

“The day care provider or caregiver may administer over-the-counter topical ointments, including sunscreen lotion and topically applied insect repellent, upon the written instructions of the parent or guardian. Such administration must be consistent with any directions for use noted on the original container, including but not limited to precautions related to age and special health conditions.”

Child’s Name _____ DOB _____

I (We) give my (our) consent for the day care provider to administer the following over the counter, topical ointments/creams to my (our) child:

_____ Insect repellent

_____ Sunscreen

_____ Diapering Ointment

_____ Other (please list) _____

Special Directions _____

All over the counter, topical ointments and creams must be sent in the original container. The label must give the name of the product and recommended uses and amounts. Information on the label must match the written and verbal information provided by the parent or guardian.
