Testimony: As a mom preparing to go back to work full-time, my husband and I began to look into full time care for our 4 year old son, Joseph. Upon meeting with Kim and touring Little Lambs, we knew this was the right place. Joey is so happy at Little Lambs. He comes home singing songs, counting numbers and talking about all of the fun he had at school. Kim, Theresa and Cassie are not just daycare providers, they are Joey's family away from home. It is a bright, clean and cheerful environment at Little Lambs that incorporates faith, fun and learning all in one place.
